DEPARTMENT OF THE AUDITOR GENERAL
St. John's, Newfoundland

AUDITOR'S REPORT

To the Chairman and Members
The Newfoundland Liquor Licensing Board
St. John's, Newfoundland

I have examined the balance sheet of the Newfoundland Liquor Licensing Board as at 31 March 1983 and the statement of revenue and expenditure for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Board as at 31 March 1983 and the results of its operations for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

J.F. McGrath, C.A.
